HOUSING OPPORTUNITIES COMMISSION OF MONTGOMERY COUNTY FAIR HOUSING & NON-DISCRIMINATION POLICY

The purpose of this Fair Housing and Non-Discrimination Policy (“Policy”) is to implement the applicable provisions of the Fair Housing Act of 1968 (as amended by the Fair Housing Act of 1988), Title VI of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973, and the Americans with Disabilities Act (ADA) of 1990 (including the ADA Amendments Act of 2008), Maryland State and Montgomery County Human Rights Laws, the U. S. Department of Housing and Urban Development’s (HUD) regulations governing Fair Housing and Equal Opportunity, and more generally to set forth the policy of the Housing Opportunities Commission of Montgomery County (HOC). All HOC properties must comply with this policy and all terms, conditions and privileges are offered equally to all prospective and current customers, and applicants.

HOC commits to provide equal housing opportunities for all qualified customers and applicants. In the selection of families to HOC programs, services or activities, it is unlawful to discriminate on the grounds of race, color, gender, gender identity, religion, national origin, citizenship status, familial status, marital status, partnership status, military status, lawful occupation, sexual orientation, disability, lawful source of income, or on the grounds that a person is a victim of domestic violence, dating violence, sexual assault or stalking. Under this policy, no qualified resident or applicant will be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under HOC’s programs. This policy also prohibits retaliation.

HOC COMMITMENT

To further its commitment to full compliance with applicable Civil Rights laws, HOC will provide Federal, State, and local information to applicants, residents and other interested parties regarding discrimination and any recourse available to them if they believe they may be victims of discrimination. Such information will be made available with any application for housing, services and/or housing voucher, and all applicable Fair Housing Information and Discrimination Complaint Forms will be made available at the Housing Opportunities Commission administrative offices. In addition, all required written information and posted advertisements for Equal Housing Opportunity will be displayed in the leasing area of all HOC leasing offices and Housing Choice Voucher Service Centers. This information is displayed in alternative languages, such as Spanish, and contains the appropriate Equal Housing Opportunity language and logo.

In addition, HOC will (upon request) make every reasonable effort to provide appropriate aids and services leading to effective communication for qualified residents and applicants with disabilities so that they can participate equally in HOC programs, services, or activities, including qualified sign language interpreters, documents in Braille, or other ways of making information and

communications accessible to people who have speech, hearing, or vision impairments. HOC will make reasonable modifications to its policies and programs to afford qualified residents and applicants with disabilities an equal opportunity to participate in its programs, services, or activities. HOC will evaluate requests for reasonable accommodations to determine if and how requests can be accommodated. HOC and its agents may deny an accommodation request if it constitutes a fundamental alteration in the nature of the program or is determined to be an undue financial and administrative burden to HOC.

Persons who require an auxiliary aid or service for effective communication, or a modification of policies or procedures to participate in an HOC program, service, or activity may contact HOC's Section 504 Coordinator at (240) 627-9400.

Any resident or applicant who wishes to report housing discrimination or retaliation may file a discrimination complaint by contacting HOC's Fair Housing and Equal Opportunity Officer at (240) 627-9400. Any resident or applicant may also contact any of the following Federal, State, or local human/civil rights agencies listed below to report housing discrimination or retaliation:
